

This range of wines from the Rhone Valley is a tribute by Paul Aegerter, the co-founder of Winenot, to his great great-grandmother, Juliette Amat. A woman with a passion for life - and for the wines of the Rhone Valley.

## Les Belles Terrasses AOP Crozes-Hermitage

### Les Belles Terrasses...

Les Belles Terrasses evokes beautiful terraced vineyards bathed in sun but subject to a harsh climate ...

Planted on hillsides, the largest vineyard of the Northern Rhône Valley is known for its many terraces with the mistral wind, icy cold in winter, blowing over them all year.

### Tasting Notes

The colour is a deep purple.

The nose is appetising, with notes of strawberry, blackberry, cocoa, eucalyptus and liquorice.

In the mouth, it is soft and silky with red fruit predominating, floral aromas of violet and a delicately peppery aftertaste.

The finish is carried by deliciously fine tannins to leave behind a real sensation of freshness and lightness.

Grenache, Syrah

Serve at between 16° and 18°C.

### Food Pairings

Our Crozes-Hermitage red is a treat in itself! Its elegance and freshness will accompany red meat as easily as white. Perfect with a saucisson brioché or a rack of lamb.
