

# "Les Enfants Terribles"

They call themselves the Enfants Terribles of wine. Paul and David, friends and founders of Winenot, wanted to create a range in their own image that would shake preconceptions up. Sunny, convivial wines in a bottle enrobed in pep, to accompany through the moments of your life. The Enfants Terribles - terribly compelling wines!

#### Food Pairings

The Enfants Terribles Chardonnay will behave like angels if they are served with hot entrées, puff pastry or quiche. They also enjoy the company of fish served in a sauce or poultry à la crème. Finally, with a fresh goat's cheese or a Pélardon des Cévennes, the pairing will be terribly good.
